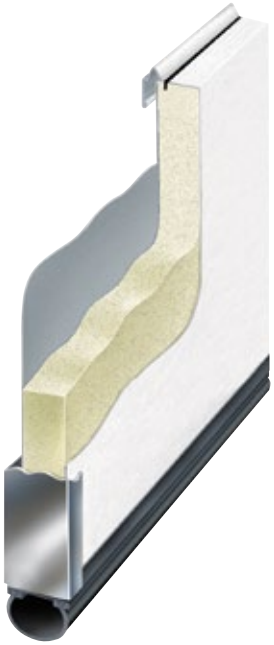
TruChoice® COLOR SYSTEM

Available with the TruChoice® Color System, Wayne Dalton's custom painting process that offers more than 6,000 colors. See dealer for details.

Panel designs and colors shown are representational only. Panel designs may vary based on selected configuration and actual colors may vary due to fluctuations in the printing process. Always request a color sample from your Dealer for accurate color matching.

FEATURES



Effective Joint Seals
Snug-fitting tongue-and-groove section joints reduces wind and weather from entering the garage.

Heavy Gauge Steel End Caps
Wrap-around end caps trim out door edges for better appearance, improved strength and protect the insulation from damage.

Silent Glide Rollers
Nylon rollers with solid steel shafts provide years of smooth, quiet and dependable operation.

High Cycle Spring Option
Choose a 25,000 cycle spring for more than twice the life of a standard torsion spring.

Wind Load Options Available
with structural reinforcements for use in coastal or high wind regions.

THERMAL PERFORMANCE

Foamed-In-Place Polyurethane Insulation
Thermally efficient with a U-factor* of .21 and an R-value** of 12.12 for Model 8300 and a U-factor* of 0.18 and an R-value** of 16.22 for Model 8500.

DASMA Door & Access Systems Manufacturers Association International
THERMAL PERFORMANCE VERIFICATION PROGRAM
www.dasma.com/thermal

Wayne Dalton participates in the DASMA Thermal Performance Verification Program. The program verifies the thermal performance of sectional garage doors. The lower the U-factor rating, the better the thermal performance.

Symbol indicates verified U-factor rating in accordance with the DASMA Thermal Performance Verification Program.

**U-Factors are based on independent testing and verified per ANSI/DASMA 105. For products other than aluminum full-view doors, testing was conducted on specific sizes of solid doors. Actual thermal performance may vary by door size and configuration.*

***Wayne Dalton uses a calculated door section R-value for our insulated doors.*
