

# SECTION ALIGNMENT

## Model: 9700

### Installation Instructions Insert

Wayne Dalton, a division of Overhead Door Corporation  
P.O. Box 67, Mt. Hope, OH 44660  
www.Wayne-Dalton.com

Use this insert in conjunction with your door's Installation Instructions and Owner's Manual.

#### SECTION ALIGNMENT

For proper section alignment, align vertical marks in the upper alignment sticker, with the lower alignment sticker (on back) of the door.

**NOTE:** See door installation instructions and owners manual for complete instructions on attaching hinges to sections.

**NOTE:** Illustration shown below, shows a typical four section high door with two sets of alignment stickers. A typical three section high door only has one set of alignment sticker located at the top of bottom section and the bottom of lock section.

**NOTE:** Illustration shown below, shows a typical four section high door (Bottom, Lock, Intermediate, and Top). A three section high door only has a bottom, lock, and top section.
